EDD Representative	

The goal for 2015/16 is to focus on forecasting and planning data elements

Activities/objectives for 15/16:

1. Engage COE and EDD to become members of the data sub-committee.
2. Identify the sources, costs, data points, and data priorities used among Los Angeles CCs and WDBs for economic and workforce development informed decision making. (survey)
3. Identify the ideal data sources, catchment, and characteristics needed for regional economic and workforce development decisions.
4. Regarding data analysis, develop strategies to maximize human and capital resources.
5. Develop data sharing strategies with external partners (K12, Adult Ed, Chambers, etc.).

Next Meeting will be at the COE office (Mt. SAC) sometime during the first 10 days of October.

Jemma to notify COE, Richard and/or Jemma to set up a Doodle for meeting day/time
