

**SUMMARY OF OUR NOVEMBER 17<sup>TH</sup> MEETING  
SANTA MONICA COLLEGE**

**Proposed Mission:**

To foster a regional collaboration focused on workforce initiatives by partnering and aligning seven Workforce Development Boards and twenty community colleges serving in Los Angeles County through a transparent problem-solving approach.

**COMMUNITY COLLEGE - WIB  
REGIONAL COLLABORATION  
JANUARY 15, 2015**

## WHAT IS IN IT FOR ALL/EACH OF US?

### Reduce Meetings

Consolidate Regional Collaboration between WIBs and Community Colleges –  
Improve Coordination.

### Address High Priority Policy and Operational Concerns

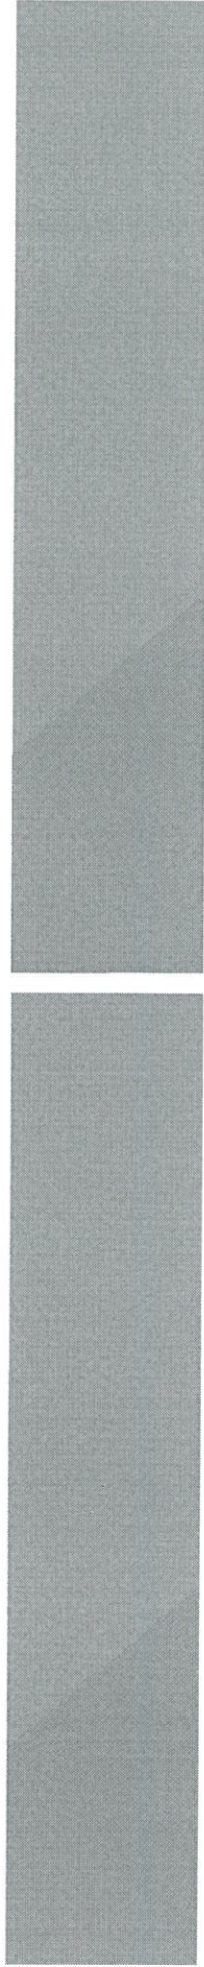

- Improve Coordination and Alignment
- Develop Options for and Contributions to WIOA Regional Plan

## RESULTS OF OUR CONVERSATION THREE SUBCOMMITTEES

### Training and Sectors Initiatives

#### Objective:

- Identify and remove barriers to training by and with Community Colleges for Workforce Development Boards, including opportunities for direct contracting, ITAs cohort training and ETPL.
- Support regional planning, coordination and alignment of common sector strategies and career pathways initiatives linked to in-demand occupations in high-growth industry clusters.

**COMMITTEES CONTINUED...**

**Policy and Alignment of Boards**

**Objective**

Develop joint funding/partnering strategies and policy recommendations to local, state and federal stakeholders that facilitate systemic partnerships.

**COMMITTEES CONTINUED ...**

**Data Subcommittee**

**Objective**

- a) Alignment of LA countywide regional workforce initiatives based on common economic development data and,
- b) The identification and implementation of protocols to ensure tracking/sharing of programmatic data, and eliminate duplication in support of shared workforce outcomes.

## COMMITTEE GOALS
