 - 3. Faculty at the college presented how to teach integrated English courses May 14 will be part 2 on CTL
- D. Pasadena College –
 - 1. Dual enrollment project.
 - 2. MOU between college and HS is in process this week to be approved.
 - 3. Updated current policies and procedures on Dual Enrollment and will send Lydia changes. Focus on more general education rather than CTE specific. Students will be getting college credit. All faculty must meet the PCC requirements to teach?
 - 4. Panel in the Fall
- E. Citrus College – Marti De Young
 - 1. Expanding three career pathways – Working with employers to develop 7 course outlines in the area of Automotive Technology. This will lead to certificates of completion.
- F. Citrus College – Marti De Young
 - 1. Model Articulation Process
 - 2. Annual renewal form for course-level articulation agreements has been updated to reflect the high schools commitment to enter data into CATEMA System.
 - 3. In preparation to implement CATEMA, the data elements were delineated and flow chart created. This will ensure transparency among the five users of the system.
 - 4. Waiting for state-wide CATEMA license.
- G. Mt San Antonio College –
 - 1. Transition data to web base. Went live. Spent last quarter adjusting. Updating handbook. Plan to create a special outreach event. Capture student who have articulation and stay on track. June 30, 2015 are meeting with HS 12th graders graduating students to meeting on career track. Parents invited. Testing stages with IT. Lyla asked if can report out on articulation agreement numbers? Too early to generate 14-15 year. January will be able to share.
- H. Rio Hondo College –
 - 1. Dual enrollment – Certified Nursing Aide pilot project. Offering course for 15 students. Interest from El Monte, Basset Alhambra, etc. Other funding sources will cover some of the costs. Home Health Aide will take place in Spring. MOU

<p>IV. Planning Counselor Event</p>	<p>Planning for Counselor Event with Rita Jones/Susan Coleman - Bring counselors to help with the planning – Career Café</p> <ul style="list-style-type: none"> • Counselors need general knowledge of what CTE does. • Counselors Role has changed. How do we engage counselors with the tools and resources to get students into community college system; not just UC and CSU? • Set up panels? • What do we perceive as the need of counselors in region? Focus on ring colleges. • High School Group <ul style="list-style-type: none"> • Awareness of certificates and degree programs. • Occupations and why viable. • Which college offer what programs. • Parents have other expectations of their children. Lack of parent education. • Resources – Low cost or free • Implementation of counselor training? • Summer boot camp • Clear pathway (visual) • Mindset of secondary school leadership needs to change. Need to help them to understand role of the community colleges. • Need for rebranding • Multiple pathways enter and exit 	

	<ul style="list-style-type: none"> • Lynell – Trust. Do students trust what they are being told? How do we instill trust? Value of labor market data and where there are jobs. Disconnect there? Narrative needs to be reformulated to create a natural pathway for these kids. • Naomi – On ramps and off ramps term used. Branding – Storytelling grabs attention not data. Youtube videos can help. Speaker?? • Jimmy – Confusion exists. We need to look at standardization. Multi point of entry is key. Parents do not understand that point. Trust factor. Referred to a website?? • Susan proposes to take information and come up with activity or workshop for counselors at ring colleges. Strategies for the next 2 years? • DSN need to be part of the workshop. Help fund. Are DSN willing to participate and share expertise. Yes they would be willing to do. • Tracy Zerpoli – Believes counselors hands are tied. Offer counselor workshops but suggest they bring an Administrator with them. Hear from students – success stories. • College Group • Offering free lunch to students and present programs while eating lunch.
